## Consumer Economics Investment Unit in a Nutshell

### Enduring Understandings

(What should we remember five years from now?):

4. Investing properly can provide personal financial growth.

### Essential Outcomes

(What do all Consumer Economics students have to know for the test?):

- 4.a compare and contrast various types of investments.
- 4.b apply investment goals and planning to a situation.
- 4.c recognize types of investment diversification.
- 4.d recognize the benefits of investment diversification.

### Lowen Outcomes

(What else should Mr. Lowen's students know for the test?):

### Unit Questions

Using your textbook and classroom discussion, answer the following questions on another sheet of paper. Use complete sentences. They are due on the day of the unit test.

Page 271 - #1, 2, 4, 5

Page 288 - #3, 4, 6

Page 297 - #1, 3, 4, 6, 8, 9

Page 301 - #1

Page 310 - #7, 8

Page 317 - #2, 3, 4, 5, 7

What did we do and what did we learn on each day?

	What did we discuss/do?	What did we learn?
